4 Exhausts on an Audi can only mean one thing - S3 with 306bhp. Capable of 0-60mph in under 5 seconds with the S-Tronic Gearbox this one looks very handsome, yet supremely understated, in Daytona Grey. It has a great specification with additional options of Audi's Advanced Key, which gives you keyless entry and starting, and Park Plus and Park Assist, which helps the car park itself. Give us a call on 01334 656746 if you would like to come and see it (viewing strictly by appointment only as this one is not kept
